

JAPS DISPLEASED WITH MANDATES

Matsui Objects to Form for Disposing of Hun Colonies.

PARIS, Dec. 24. Japan's representative in the League of Nations has objected to the form of the mandates under which the former German colonies in the Pacific would be administered. This has been made to refer the question to the Tokyo government.

Meanwhile the council holds the adoption of the mandates in abeyance. The question of mandates was taken up today by the council, which considered the draft that had been prepared and adopted. The council considered the draft of the mandates for the former German colonies in Africa, the Pacific and the Middle East. Final action on the draft was postponed on the ground that the Japanese delegation, which had been in London, had not yet returned.

The mandates considered had been prepared by the mandate commission in London. They were in three series, designated type A, type B and type C. The first series was under type B, providing for administration under the League of Nations. The type A mandates were to be administered by the League of Nations, and the type C mandates were to be administered by the League of Nations.

Season's Greetings

We extend to our friends the Season's Greetings and wish you a Happy and Prosperous New Year, with the warmth and cordiality that exists between personal friends. We believe that this same friendly spirit exists between business men and those they serve. On this occasion we wish to thank our patrons for the business we have enjoyed during the past year and to announce that our yard at Fourth and Frankfort recently destroyed by fire, will be rebuilt bigger and better than ever, and with increased facilities and new equipment to take care of your business better during the coming year than in the past year.

This Season's Greetings are accompanied by the personal thought and wish that you may have—

HEALTH—Without which there can be no prosperity;
PROSPERITY—In such terms as you may choose to measure it;
PEACE OF MIND—Without which neither health nor prosperity can be a blessing.

With these three gifts every Christmas will be Merry; every year New and Happy.

Many of your season's favors and greetings may be more elaborate than this, but they cannot be more sincere.
